
But looking at it now, it really is plain...
I had nothing else to do so I tried going back to my old look.
Glasses
Huh?
TCHE TCHE...
Hmm...?
Or the braids.
But I don't need these any longer.
HNGH!!
GRR GRRR GRRRR
GRR GRRR GRRRR
TCHE TCHE TCHE
I can't take off my glasses...

Kyubey
...
What's wrong?
What on earth is going on ...?!
SLIDE
What are you saying something so ridiculous for? There's no way that could be true, right?
You can't take off your glasses?
I can't take out the braids either?!
What the hell?!
Gee eeee eez!
TCHE
EH ?!
Really, what's with these glasses...
Hm?
PHWUUUSH

Still, it's quite strange To think that you cannot take off your glasses or undo your braids
At first glance? I've been here for an hour. Who did you think I was all this time?
I was wondering who it was, but it's Homura, eh? I couldn't tell at first glance
Ah ...
HUNCH
HUNCH
SPLAT
I don't think you should say that
Ignoring the glasses for a sec why not just cut the braids right off!
Mainly Kyubey anyway
It's not only that it anyone tries to take them off by force, they meet a terrible fate
A wraith who only cares about m. keeping my braids and glasses? What sort of maniac wraith could that be?
I wonder what the cause of the curse could be. Because of the wraiths perhaps?
What-the-hell-isgrrrrr
SWISH SWISH
See...
S-kura-san...
BA THUMP BA THUMP

Embarrass-sing? I think it suits you quite well.
I can't do that, switching back to this style after all this time is embarrass-sing! I can't go to school like this!
Flip
Oh, it can't be that much of a problem. Why not just keep it as-is?
Aaah
I have school tomorrow, so I'd like to have something done about this today.
Click
Why are you getting frantic all of a sudden?
munch
Yeah
Yeah
munch
Besides, doesn't it make you curious about what else would happen to those who try to change you? You should find out!
Bam
I won't be able to wear Madoka's ribbon
At this rate,
But this is a real problem...

They became undone
Oh, that's too bad
Lick Lick
I don't know what's going on, but that's great, isn't it?
Clean your face.
Yeah.
WHY THE HELL CAN'T I TAKE OFF MY GLASSES?!?!?!
Akemi-san?!
I need to get going. Thank you for the cake.
No problem, see you tomorrow
I was worried there for a bit, but I'm glad it came out all by itself. Now I can put my best foot forward starting tomorrow.
...
